Part Time Experienced Counter Sales Staff Required

We are looking to increase our experienced sales counter staff at Castle Meadow Road with the addition of some part-time roles 2-3 days a week.

To be considered for the role you will need to have considerable experience of our product range and excellent customer facing skills.

Full training on operation of our Bistrack point of sale system will be provided, though some level of computer literacy is desirable as well.

The role is Part Time and will include Saturday Morning Rota working - currently one off in every three Saturdays and will report to the Counter Manager.

If interested, please contact Craig Bamford - Counter Manager, or Phil Long - Sales Director.
